

The New Mexico House Rabbit Society makes NO CLAIMS regarding the veterinarians listed.

Before placing your rabbit under the care of any veterinarian, be sure to ask the appropriate questions to ensure your rabbit is in competent hands. Do not assume that all veterinarians at a facility are experienced with rabbits. If you call for an appointment and are offered an appointment with an associate you do not know, insist on seeing the vet you asked for. All times, locations, and costs are subject to change so please verify with vet before accepting services.
